European Climate Pact and beyond

Session 3 16 November 10:00 – 12:00:

Scoping the structure and framework for the REAL DEAL Guidance and Toolkit (Protocol)

A moderated, interactive session aimed at: scoping and outlining elements of the Guidance and Toolkit; setting co-creation milestones; establishing work method.

Moderator: Esther Koopmanschap, WUR

Goal:

By the end of Session 3 we aim to have defined

- the scope of the Protocol (guidance and toolkit) and its building blocks
 - o Combination of methods and formats
- the working method (core group of co-creators; group of co-thinkers)
- specifying tools for the working method (communication; emails; etc.)
- few milestones
